Webinar Series
Living Income Community of Practice

7 February 2017

Malawi Tea 2020
&
Findings from GIZ study on living and actual income

The Living Income Community of Practice

Foster collaboration and support organisations in their journey towards improving farmer incomes, and enabling farmers to achieve a decent standard of living.

Provide guidance on metrics and measurement

Understand the gap between actual and living income

Identify and discuss strategies to close the income gap

Strengthen this open community of practice
Sharing information about the efforts of different actors in this space
