

# Living Income Webinar Series

Measuring income - What income? For what purpose?  
Experience using the Progress Out of Poverty Index (PPI)

24<sup>th</sup> May 2017

# Today's speakers

**Kristin Komives**  
Director,  
Impacts  
ISEAL

**Julie Peachey**  
Director  
Innovations  
for Poverty  
Action

**Manfred Borer**  
Country  
Director,  
Indonesia  
SwissContact

**Marta Maireles**  
Associate  
Manager,  
Impacts  
ISEAL

**Stephanie Daniels**  
Senior Program  
Director  
Sustainable Food  
Lab

# The Living Income Community of Practice

An open community of practice

Provide  
guidance on  
metrics and  
measurement

Understand the  
gap between  
actual and living  
income

Identify and  
discuss  
strategies for  
implementation  
to close the  
income gap

Strengthen this community of practice  
Sharing information about the efforts of different actors in this space

Map

Add Study

Groups of studies categorised into regions, exact locations can be determined when zooming in.

Option to add planned, in-progress and completed studies

Search function for specific studies, themes and locations

This learning platform is a collaboration between the Food Lab, ISEAL, and WWF and is intended to facilitate increased knowledge-sharing, collective learning, and collaboration towards increased sustainability in global supply chains. We encourage researchers and practitioners active in the field to contribute studies to this map and use it to learn from and connect with others doing similar work.

Key explaining the stage in which the study is in.
