

The background of the slide is a close-up photograph of a large pile of cocoa beans. Several Indonesian Rupiah banknotes are fanned out across the middle of the image. The banknotes include a 100,000 Rupiah note (pink and yellow) and a 50,000 Rupiah note (green and yellow). The text on the banknotes is in Indonesian, including 'BANK INDONESIA' and 'SERATUS RIBU RUPIAH'.

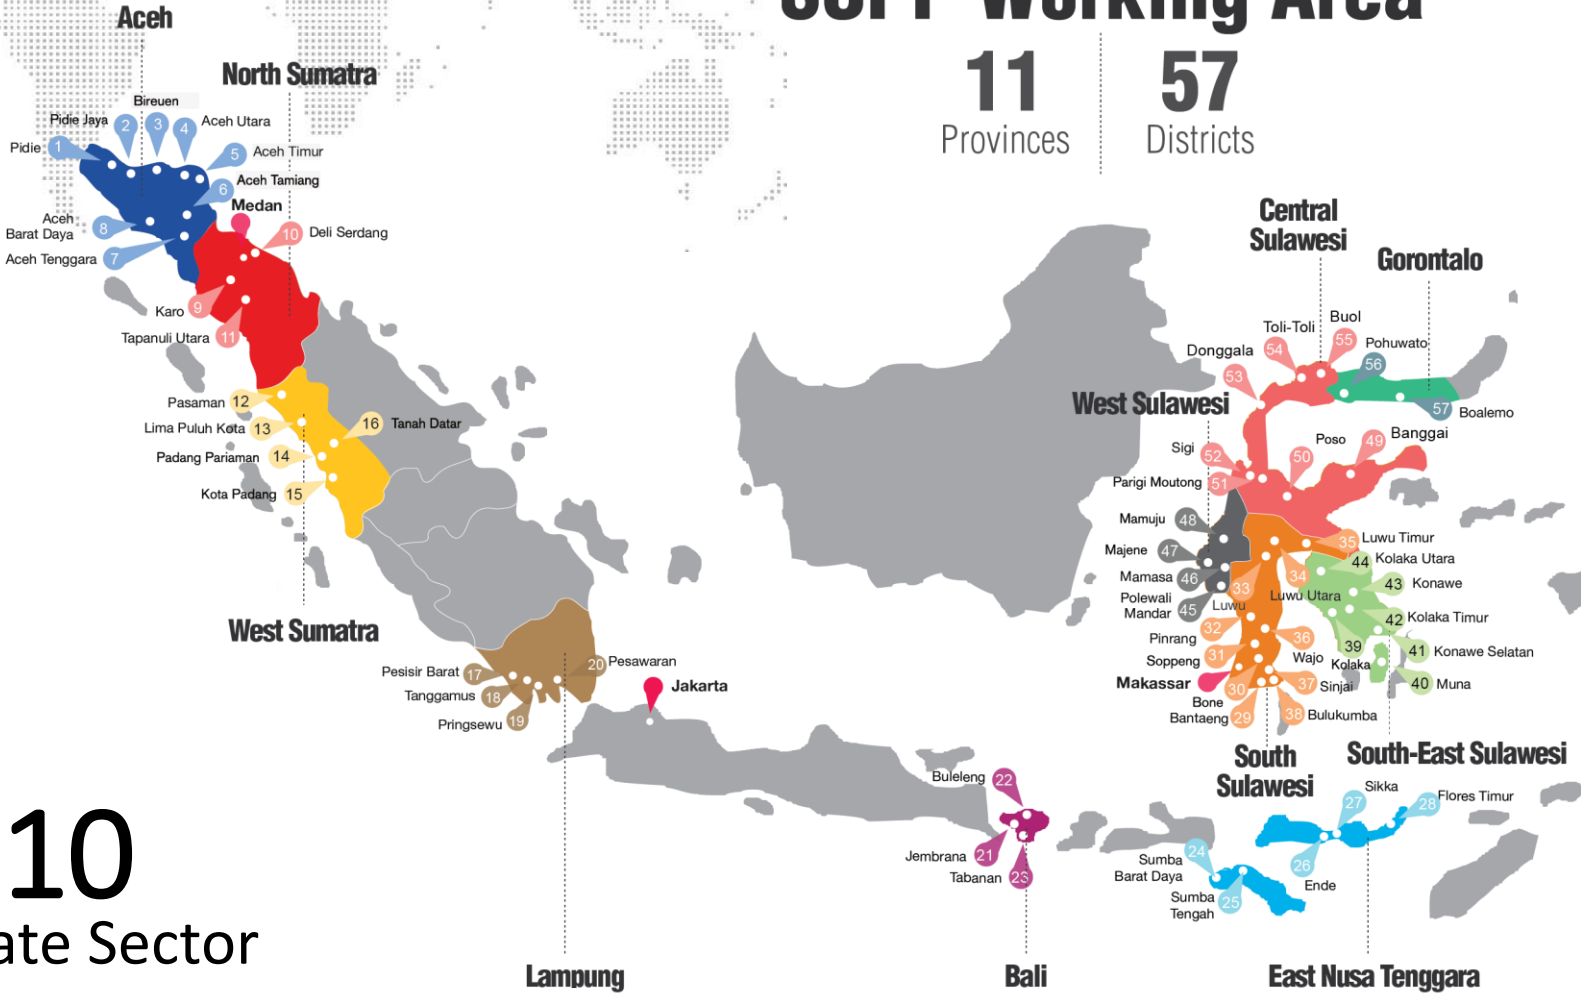

Living Income and PPI Sustainable Cocoa Production Program Indonesia
